PLAY GROUND

BRIEF HISTORY OF THE SCHOOL

Butumagyebu STMA Primary and JHS was built in 1969, in the Ketan-Sekondi District by Dr. Kofi Abrefa Busia. The school was initially a wooden temporary structure for only nursery students. In the year, 1968, the school land was then a coconut farm. The elders of the community pleaded for the school to be built.

Stakeholders collaborating with the school

Active participation and partinership between school and individual or group

~~Teaching~~ Teachers and staff

Local community, Government & Education authority

| Classroom rule | Why this rule is important | How the rule is enforced | consequences if broken |
|---|---|---|---|
| 1. Respect others | It brings about discipline | Making everyone aware of the rule | Punishment but not Coporal |
| 2. Raise the hand to ask or speak | That brings control or order | By having control of the class | Any form of punishment Not Coporal |

**TOPIC 10.1: Induction in School 2-familiarization and orientation**

Day of visit TUESDAY AND WEDNESDAY

Date of visit 17TH - 18TH MARCH, 2026

**Activities 10.1.1-10.1.3: Sensitization on school culture and wider school life**

**SRJ Task:** record your reflection on the following:

School culture

A share beliefs, values, traditions and behaviours that shape how a school should operate - staff - students relationship, Academic expectation etc.

Key education policies

Inclusivity

Free Education
Targeted Social interventions

The wider school life

Extra-curricular Activities
volunteering and community action
Students Leadership

What new knowledge have you learned from the induction?

Communication skills
Leadership skills
Progressive and development eg

**Topic 10.2: Identification of key features of the Basic School Curriculum (BSC)**

Day of visit TUESDAY AND WEDNESDAY

Date of visit 28TH - 29TH APRIL, 2026

**Activities 10.2.1-10.2.2**

**SRJ Task:** Identify the key features of the Basic School Curriculum (BSC).

What have I learnt about the scope and sequences in the BSC?

1. Meeting the four (4) Rs that is Reading Writing aRithmetic and cReating and development. 2. Critical thinking and problem solving and digital literacy

What ideas are behind the sequencing of the sub strands across the grade levels?

Progressive and scaldfolding approach foundational concrete ideas to complex abstract application in upper grades

How will I apply this new knowledge in my teaching/class?

By following the sequence of the curriculum, ensuring continuous growth and preventing learning gaps

Why is continuity and progression important in lesson planning?

To ensure that learning flows logically and deepens over time To prevent fragmented learning and gaps

**Topic 10.3: Observation of classroom and wider school life**

Day of visit TUESDAY

Date of visit 5TH MAY 2026

**Activity 10.3.1**

**SRJ Task:** Observation of classroom teaching and learning

Make a list of the different teaching approaches that could not be observed during teaching and learning period.

Direct Instruction (Teacher centered)
Inquiry Base (child centered)
Project Base
colleboratwe learning.

What best practices did you observe during the lesson?

Collaborative learning. Learners work in small groups to solve problems

List any cross-cutting issues (inclusivity and diversity) that emerged during the teaching and learning interactions and state how they were addressed.

Gender Equality
Inclusion
Digital Literacy
Human Right

**Activity 10.3.2:**

Observation of classroom teaching of small groups with learning needs.

What are the implications of the following domains of the learning needs of the four (4) learners?

Cognitive

Memory
Attention
Problem Solving

Affective

Responding
Receiving
Organizing

Psychomotor

Imitation

manipulation
Precision

Social

Personal issues
Public policy
Child development

**Activity 10.3.3: Observation and participation in the wider school life**

Observation on individual and group activities that go on in the wider school life/community

Learners' lunch or play time activities

Learners mostly play in gender base but in groups and according to age groups

Behaviour of learners

Emotional
Social
Relationship with Self and Others

Activities during assembly time

Prayers.
Inspection
reciting the national pledge
Singing the national Anthem ~~and the~~

Staff meetings

Prayer
Review of previous meetings
Term report review
Individual class report
Progress and development report.

Lessons learnt from stakeholder meetings such as staff PTA, SMC or CPD

Proper community ~~eg~~ engagement
Child development
~~Infrastura~~ infrastural development.

Co-curricular activities

Football
Swimming
Music
Robotics

Student teachers' participation

Inclusive facilitation
Decision Making
raise relevance
Create psychological safety.

Others

Sporting activities
Quiz competition
Debate (Inter-school.

**TOPIC 10.4: Small scale classroom enquiry with four (4) learners**

Day of visit WEDNESDAY

Date of visit 6TH MAY, 2026

**Activity 10.4.1**

**SRJ Task:** Identification of learners' learning needs.

Record the learners' learning needs you identified and suggest ways of addressing them in table 10.4.1

**Table 10.4.1: Learners' learning needs and suggested solutions**

| S/N | Learners' learning needs | Suggested ways of addressing them |
|---|---|---|
| 1 | Cognitive | use of proper concepts |
| 2 | Psychomotor | Physical development needed |
| 3 | Affective | Social & Emotional support |
| 4 | | |

**Activity 10.4.2**

Designing simple tools for data collection

State three ways of collecting data on learners for a study

1. Survey and questionaire
2. Interview process
3. Observation

**Activity 10.4.3:**

Analysis of data collected and writing of report on the learning progress of learners

Write at least two key things you have learned in activity 10.4.3

Gathering
Data Analysis
Interpretation of datas
